RE: December 9, 2004 Worksession

The December Planning Commission Worksession will be held on Thursday, December 9, 2004 at **6:00 p.m.** in the Middle School Library. At the November worksession it was decided that the December Worksession will be spent determining the Uses Permitted by Right and Special Land Uses for the Residential Districts and Commercial Districts. Members were asked to review the information that had been sent to them regarding each district against the tables, definitions and master plan.

Jay will also be bringing a blank map so that we can begin determining the areas of each district. A street map will also be brought that indicates the Primary and Major Streets.

If you are unable to attend the meeting **please call** me at 723-2558.
