RE: September 18, 2014 Worksession

Commissioners, the Planning Commission has a worksession scheduled for Thursday, September 18, 2014. We will continue our zoning review of the P-D Peninsula District. Depending on the need we may be taking a site visit of the district which may involve some walking, please dress accordingly.

We received one letter from Jane Zwiefka, 227 River Street which I have included in your packet.

If you are unable to attend the worksession, please call me at 398.2805. See you Thursday!!

Dear zoning Board,

I am in favor of Ed Seng's request to get back to work, hire employees, by using his property for shipping.

I live at 527 River St, have grown up during the cement trucking at the end of our street. As Dr Mattice stated, the train tracks have been more of a bother than the trucking.

Mr. Seng and his father and brother have always been great neighbors.
