

There are many [recreational opportunities](#) within the City. The following lists of some of the agencies that provide recreational services to the community.

Manistee Recreation Association

The Manistee Recreation Association (MRA) was established in 1942 and founded by a group of high school youth that claimed they were looking for recreation and recreational activities in the Manistee area. As a result of our volunteers, municipalities and further help the MRA is still alive and thriving today. A wide variety of winter, spring summer and fall programs are available for people of all ages.

Paine Aquatic Center / Manistee Community Pool

The Paine Aquatic Center is a multi-use community pool facility for people of all ages. The center features a 4,600 sq. ft., eight lane pool for instructional competitive and recreation programs along with a 1,000 sq. ft. warm-water pool. The facility is universally accessible with a portable lift chair available for either pool.

Manistee Council on Aging / Senior Center

The MCCOA is an organization that serves all senior citizens regardless of income or ability. “Seniors” of today are just as vibrant, mobile, engaged and seeking fellowship as their younger counterparts. In fact, the wealth of talent that Manistee County sees in the senior population is something that many find as a valuable resource. Seniors bring with them a lifetime of experiences that are invaluable to solving today's complex problems. Clearly, the contribution of the senior population in Manistee County alone deserves the continuing support of the entire community.
