

Dear Property Owner;

We will be coming to visit your parcel to verify the measurements on your buildings and take updated pictures. If you have a vacant parcel we will be taking a picture of the land. The State Tax Commission requires that we inspect 20% of the parcels each year in your local municipality. If you have any questions please call 231-468-2977.

Thank You,

Great Lakes Assessing, Inc.

Jay Roundhouse, Linda Monroe, Molly Whetstone, David Williams and Sharon Zakrajsek
