

PUBLIC NOTICE

The United States Corps of Engineers has notified the City of Manistee that MCM Has been contracted to complete dredging at the mouth of the Manistee Harbor. The contractor is expected to mobilize equipment on or around Monday August 6 to begin operations. Dredged material will be placed south of the harbor in the 8-12 depth of water. Work is expected to last 2-3 weeks depending on weather conditions. MCM Marine will be issuing a Notice to Mariners through the United States Coast Guard.

Jeffrey W. Mikula
Public Works Director
City of Manistee
