

Process for Signage/Awning Requests Museum Director/Historic District Commission A Step-By-Step Guide

The Museum Director/Curator has been designated by the Commission to review projects that are considered to be routine in an effort to expedite requests, reserving the right to forward the request to the Commission at their discretion. The requests that the Museum Director/Curator have oversight include:

Awnings - Awning material and dimensions must be approved by the Museum Director or Curator. Requests for Awnings that do not meet the requirements of [Guideline #1 - Awnings](#) will be forwarded to the Historic District Commission for review. If the Awning includes signage the applicant must follow the requirements for Signage. A Building Permit must be obtained prior to installation.

Signage - Signage within the Historic District requires an approved Sign Permit. If the application does not meet the requirements of the Zoning Ordinance a variance from the Zoning Board of Appeals may be applied for. Only after a Sign Permit has been issued will the request be reviewed by the Museum Director or Curator. Requests that do not meet the requirements of [Guideline #2 - Signage](#) will be forwarded to the Historic District Commission for review. In that event the Museum Director or Curator may permit temporary signage to be installed. Projecting Signs require a Building Permit prior to installation.

- 1** **Introductory Meeting with Staff or Museum Director/Curator** - Staff will assist the applicant by explaining the application form and Guidelines. Museum Director/Curator will research any historical documentation available that could assist the applicant.
↓
