RE: CANCELLED Worksession January 25, 2001

The Planning Commission had rescheduled the January worksession to January 25, 2001 in the hopes that LSL would be in attendance. LSL will not be able to attend a worksession on January 25, 2001. We have cancelled the worksession.

City Council appointed two new members at their January 16, 2001 meeting. We welcome Greg Ferguson and Brad Williams to the Planning Commission.

Kristie Harless has agreed to continue coming to meetings to assist in updating the Master Plan. Thank you Kristie we appreciate your help!
