**Update on round-about and planting at City Marina** – Rulison reported on the first meeting. Discussion focused on ideas those in attendance had in mind for the area. Committee does not want anything in round-about that would turn into a safety issue. No second meeting has been scheduled as of today's date.

**Annual Bus Tour** – Rulison thought we spent too much time at certain parks so there was not enough time for others. Tegler would like to have heard more about future projects. Members were disappointed not all council members attended, council members in attendance were Scrimger, Hornkohl and Marshall.

**Up-date on First Street Beach (Rocket Park)** – LRSB awarded the City of Manistee \$ 25,000 for new playground equipment at Rocket Park and the City has budgeted an additional \$10,000. An Ad-Hoc committee has been established to discuss what is needed / wanted for new equipment. Zielinski is very excited about this project and has been gathering information for the committee. Zielinski has been in contact with a company (Miracle) out of Grand Rapids that would come up and work with the City. Niesen will contact their representative to come to town to discuss this project. Commission would like the park to be a full ADA accessible. Tegler would like the Parks & Beautification Commission be involved and informed. Zielinski will contact the Manage to check on date of next meeting.

**Motion** by Rulison, **second** by Scott to assign Zielinski to contact the City Manager for a site map of First Street Douglas Park area and proceed on project.
